

What is the Drop off/Check-in process?

Drop off starts the Sunday afternoon before the sale at 1:00pm. You can expect your drop off to be approximately 20-30 minutes.

Simply enter on the south side of the Ruston Civic Center and follow the blue arrows to:

1. **Large items** - You can drop-off your larger items at the "**Station 1 - Large Items**" for inspection. Our volunteers will place your large items in the Civic Center to sell.
2. **Clothing items** - Your clothing items can be dropped off at "**Station 2 - Clothing/Smaller Items**" at the tables where a Kool Kids volunteer will inspect them for stains, tears, rips, missing buttons, or items that are out of style or season. Please have your clothing items sorted by size and gender. **After your clothing items are inspected, you will place your clothing items on the Civic Center racks to sell.**
3. **Smaller items** - Your smaller items can also be dropped off at "**Station 2 - Clothing/Smaller Items**" at the tables where a Kool Kids volunteer will inspect them for missing pieces, batteries in toys, or broken pieces. Our volunteers will place your smaller items in the Civic Center to sell.

All items will be accepted and/or denied at our discretion. We realize you might need to make several trips to your vehicle to unload your items. After your items are cleared as acceptable and you have placed your clothing items on the racks, you will need to sign a contract (we will have extras if you forget yours). You will then check-out near the door at the computer where you will receive your guests passes to hand out!
